COVID COVERAGE

Frequently Asked Questions

WHAT IS NOT COVERED UNDER INSURANCE?

1. I am diagnosed with COVID whilst on my trip and have to self-isolate in my accommodation. Am I covered for loss of enjoyment of my trip?

Unfortunately, loss of enjoyment is not covered under this insurance policy.

As well as medical expenses cover detailed above, there is cover if you have to extend your stay due to receiving a positive COVID diagnosis for reasonable additional transport (economy class) or accommodation expenses incurred, up to the standard of Your original booking up to the amounts of €2,000. (This cover only applies provided You have not travelled to a country or specific area or event to which the Travel Advice Unit of the Department of Foreign Affairs or the World Health Organisation (WHO) or similar body has advised against all or all but essential travel.

2. Am I covered for cancellation or curtailment if the security status changes in Ireland and I no longer wish to travel?

There is no cover under the policy in this scenario, however should the tour operator transfer your trip to a later date, we will try to accommodate the transfer of your policy to the new trip date, if no claim is pending.

3. The security status to my destination country has been raised to avoid all but essential travel prior to travel. Am I still insured to travel?

You will still be insured to travel if the destination country has a security status of avoid all or all but essential travel due to COVID only, however you will not be covered for any COVID related claims whilst abroad. If there is a security status of avoid all or all but essential travel for any reason other than COVID then you will not be covered.

4. The security status to my destination country was reduced from avoid all but essential travel prior to my departure but changes while I am overseas. Am I still insured if I am diagnosed with COVID?

If the destination country had a reduced DFA security status when you travelled, you will still be covered for overseas COVID related medical expenses. If you travelled against the Government advice and the DFA status was avoid all or all but essential travel prior to departure, there is no COVID related cover overseas.

5. If I travel to a region where the security status is avoid all or all but essential travel due to COVID only, and an immediate relative is admitted to hospital with a COVID diagnosis in Ireland, will I be covered under the curtailment section?

Yes, curtailment cover would apply in the above scenario, subject to the policy terms and conditions.
